|----------------------------------|------------------------------------|
| Job Title | Group Tax Analyst |
| Location | London |
| Company | Resolution Life Group Services Ltd |
| Reports to | Group Tax Manager |
| Group Wide Internal Level | Associate |

Position Summary

Resolution Life is a global life insurance group focusing on the acquisition and management of portfolios of life insurance policies. The Group is looking to expand its central tax team in London, reflecting the growth of the Group. The role will be to support the Group tax team in managing the tax obligations of the Group's central entities, as well as enhancing and improving tax processes as the Group expands. This will primarily relate to ensuring that the Group continues to meet its UK tax obligations, although will also include supporting the Group in managing its tax position worldwide.

Key Accountabilities

- Managing UK tax processes e.g. FATCA/CRS, corporation tax returns, provisioning and approach to tax in consolidation, and the continued development of appropriate monitoring tools in relation to the group's key tax issues.
- Quarterly VAT returns for UK companies.
- Support on employment tax processes.
- Ad hoc transactional support, including M&A projects.
- Support on international tax issues affecting the Group's central entities.

Your Skills & Experience

- Qualified accountant, preferably with CTA.
- Varied UK tax experience (corporate, indirect, employee tax, tax reporting), with willingness to pick up new areas.
- Skilled in managing tax processes, ensuring timely and accurate submission of various tax requirements. Effective at streamlining tax processes.
- Good project management skills.

Your Characteristics

- Ability to work in a small team, interacting directly with colleagues across finance, HR, legal and elsewhere in the business.
- Willingness to develop the tax function in line with the ongoing expected growth of the business.
