Our main customers are primary life insurers in mature markets, including North America, Europe, Australasia and Asia. We serve them through two distinct business segments:

- The **Institutional business**, comprising our teams in Bermuda, Singapore, the UK and the US, includes flow reinsurance, PRT reinsurance, and supporting the acquisition and management of portfolios of policies from primary insurers. We invest the assets and pay the claims and, in certain instances, administer the policies.
- The **Retail business** in Australasia serves one million customers across Australia and New Zealand, providing them with competitive premiums, quality investment management, great customer service and efficient claims management.
